FOIA Request: EPA-R8-2015-004247

Dear Mr. Longenecker,

Thank you for meeting with us to discuss the scope of your FOIA request. To summarize our discussion yesterday;

- We will narrow the scope of your request to an Outlook email search from Feb. 1, 2013 to Feb. 16, 2015 and a records center search for the same dates.
- We can provide you with an index of the records center results.
- You will be charged search time for the records center search and review time for the Outlook email review. We will provide you with a cost estimate.
- We believe it will take us between one and two months to complete the above items, depending on how voluminous the records are.
- We will review with you the search terms we plan to use.

Please let me know if this is agreeable to you.

Thank you

Wendy Dew
